TEACHER TRAINING IN SERVICE

To meet the necessary requirements for Life Certificates, it is necessary for teachers to secure additional training and credits during summer terms and through extension. Last year 50% of our teachers took advanced work, many of them completing degree requirements. The training of our teachers is shown below.

16 teachers have 5 or more years training.
31 teachers have 4 or more years training.
21 teachers have 3 or more years training.
23 teachers have 2 or more years training.

NUMBERED AMONG THE ALUMNI

During the past 64 years there have graduated from our High School 2265 students. These are distributed as follows:

1869 - 1883	61
